## **I-10 EXPANSION UPDATE**

### **ATTENTION PARENTS:**

As the start of school approaches, please note that The Texas Department of Transportation has announced the closure of the I-10 HOV Lane has been pushed back to September 1, 2008.

This closure will last approximately 6-8 weeks. The closure will allow completion of the final construction activities and the initiation of the transition to the new managed lanes operation.

As construction on I-10 becomes more convoluted, please check the following website for updates, closures, and other detailed information regarding the freeway expansion:
